Dear Dr. _____:

I would like to receive chiropractic treatment and physical therapy treatment from Tom Hyland Robertson, DC, at Whole Chiropractic Healthcare, LLC, in Odenton.

Please refer me for at least 10 visits so Dr. Robertson can get a good idea of how I will progress with his treatments over the next few weeks. Please include the words "Chiropractic" and "Physical Therapy" on the referral and fax it to Whole Chiropractic Healthcare at **480.393.5959**.

Thank you for your help in meeting my wellness goals. Dr. Robertson told me keeping you up to date with my progress is part of his treatment plan. Additionally, if you need to speak with him directly, please call his office at 410.305.1331 with any questions or concerns.

Once again, thank you for helping me get the care that I need!

Yours truly,

Dr. Robertson's Address: Whole Chiropractic Healthcare, LLC
