

Whole Chiropractic regularly stocks a range of nutritional supplements from Anabolic Laboratories. (We can often special-order others, so if you don't see something you need, just ask us.) These vitamins and supplements are manufactured in a pharmaceutical plant, ensuring high quality in manufacturing processes (exceeds GMP) and guaranteed potency; they are available only from healthcare professionals.

We carry selected traditional supplements from **Maharishi Ayurveda**, too—including Ashwaganda, Digest Tone/Triphala Plus, Brahmi, Guggul, Turmeric, and Neem-- and for interested patients Dr Robertson sometimes recommends these products in conjunction with ayurvedic lifestyle and diet plans.

We also stock high-quality probiotics from Garden of Life (RAW) and orthopedic devices such as tennis elbow braces, Cho-Pat braces, home traction units, and IT band supports. Our sister company, **Whole Yoga & Pilates**, offers exercise aids such as stability discs and resistance bands in addition to yoga mats and props.

The statements above have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.
